

Hello Parents!

This week at school your child's class is playing The Game Plan Game. This board game is a fun and empowering way for your child to learn and practice important safety and life skills.

The Game Plan Game is a great way to start the conversations that can encourage personal safety, good manners and positive social behaviors.

While some of the questions are tailored for conversations between parents and children at home, we will be focusing on the safety and life skill topics appropriate for school.

We encourage you to ask your child questions about the game and continue these conversations at home.

We hope your children learn from and enjoy playing The Game Plan Game!
